Introducing the new "E" and "A"

My name is Andrew Fowler, and I am a sophomore in the Alpha Theta (Fall 2017) pledge class. I am studying History Education. Some of my favorite experiences in Delta Chi include my I-week, and visiting Cornell this summer at the Emerging Leaders academy this summer.

Garrett Kliethermes, our A, is a junior and part of the Alpha Zeta (Fall 2016) pledge class. He is a Cell and Molecular Biology major, and some of his favorite experiences in the chapter have been his I-week and living in the house with his brothers.

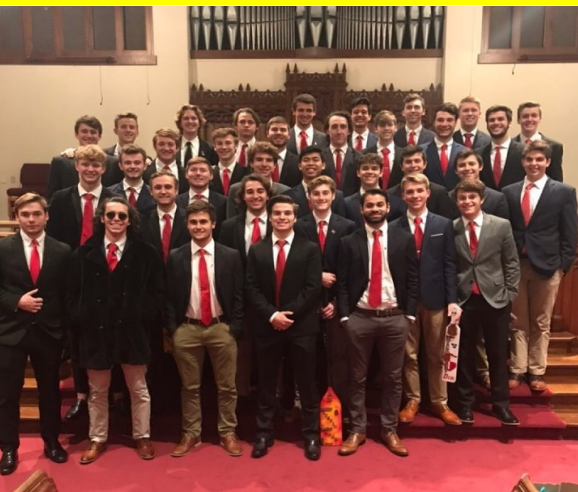

Andre is King!

We had a successful Homecoming this year, with our float winning first place, and our former president, Andre McIntyre (Alpha Epsilon class), winning Homecoming King! Andre was crowned by last year's Homecoming King, our very own, Matt Campbell (Alpha Delta class).

We were teamed up with Alpha Chi Omega and Pi Kappa Phi.

Delta Chi has now won best float, and Homecoming King two years in a row!

We initiated 33 proud new members!

The chapter is looking forward to continuing to recruit quality men that will be leaders on campus and in the community.

This upcoming Spring class will be the Alpha Lambda class, and their AMC will be Jake Rogers.

4 By 4 Brewing Company

This year we will be meeting at the 4 by 4 Brewing Company owned by our own Derek Shimeall! This will take place on the evening of Friday April 12th! We are still looking for something to do the Saturday afternoon before the official White Carnation banquet.
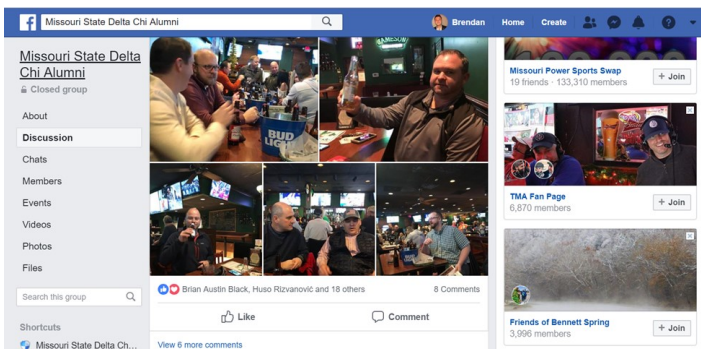

If any of you have ideas, please contact me through phone, email, or Facebook.

In addition to our 4 by 4 event we are planning on holding a barbecue Saturday at the house. The barbecue will be at our new chapter house. We will be giving house tours and sharing our unique stories in Delta Chi. As usual we will have our banquet later in the evening.

My goal is to provide an awesome experience for all of our alumni so please contact me if you have any suggestions!!

Recent Alumni Happy Hour

A group of alumni in St. Louis gathered for happy hour after planning the entire thing through Facebook comments. It would be really awesome to see more of this energy going forward. Thank you to those that attended this event!

If you're not already connected with the alumni Facebook group, please reach out to me to be added! We would love for this Facebook page to be a place all Missouri State Delta Chi alumni, from both the new and old chapters, can connect with one another and plan hang-outs.

We hope that you join us at our Regional Leadership Conference this year at K-State on the weekend of February 22nd.

Our next International Convention will be held in our own state in the great city of Saint Louis!!

From all of us at the Missouri State Chapter, we would like to thank you for all of your contributions and support no matter how big or small. We have had a successful semester and we can not wait for what the future holds for our beloved chapter. Please let me know if there is anything I can do as "E" to make our chapter better in anyway. My plan is to take everything we have done in the past and make it bigger and better. We hope you all had a lovely holiday and an extraordinary New Year!
